Why we want you

A new project has been set up to support the recruitment, coordinating and development of volunteers for care homes in our local area. The project is part of the Enhanced Health in Care Homes work in Torbay and South Devon. Experience of having volunteers in a care home was an incredibly positive one, and of great benefit to the home and residents. Under the supervision of a designated staff member within the care home you would provide support to residents in a variety of areas building relationships and encouraging social interaction.

What you will be doing

- Provide companionship / Social interaction (one to one)
- Support social activities to include one to one support to residents to help engagement in social activities
- Assist with digital Inclusion
- As a meal time companion you will deliver meals to residents rooms and in the dining room . Sit with resident at meal time to encourage them to eat
- Assist during morning and afternoon tea rounds

The skills you need

- Good interpersonal and communication skills
- A genuine interest in people
- Proactive and assertive
- Have a positive outlook and being non-judgemental

What's in it for you

- Meet new people
- Be part of an amazing team
- Gain new skills or use existing ones
- Help your community

Disclaimer

Following your successful application, you will be invited to an interview and you may be asked some questions in relation to our current Infection,

Prevention & Control guidance - this may impact on which roles we can place you in. Most roles are subject to a DBS check and two satisfactory references being provided.
